

DALHOUSIE WOMEN'S CENTRE NEWSLETTER!

JULY 2011

WHAT WE'RE UP TO THIS MONTH

- Over the last few weeks this July, the DWC has had lots going on! The board and staff gathered on the weekend to discuss feedback from the community meetings and plan for the future! Just wait until you see what we've got planned.
- The YWCA's Girls Power Camp has been running out of the centre for two weeks and is sadly coming to a close. What an amazing group of young girls and women!
- Want to march with us in the Pride Parade? We are marching with Dal! On Saturday July 23rd, Dalhousie will be marching in the Halifax Pride Parade. This year Dalhousie has the honour of carrying Ottawa's Pride Flag which measures 30' by 60' in size (almost a whole city block) and requires over 30 people to carry it. We hope to have a large turn-out of supporters marching with us in the Parade so invite, invite, invite!! Dress bright and fun! There will be some rainbow accessories to brighten up our apparel at the parade site! Participants in the parade are asked to meet at the corner of Cornwallis and Upper Water Street, no later than 12pm to prepare for the Parade.
- Come out and Support the very first Halifax Dyke and Trans March! This event is happening on Friday, July 22nd at 6pm in front of the Spring Garden Library. The first march of its kind in Halifax to celebrate identity and challenge oppressions. Queer women, trans people and allies dress how you please, take in guest speakers and then march proud.
